PREPARE RECAP FORM IN DUPLICATE

Bring both copies of the Recap Form and the clubwoman entries to the registration table. Submit the original of this Recap Form to the District Photography Chairman with the photography entries. Stay at the table while the Chairman registers the entries. The Chairman will check off each entry and assign an Entry Number that she will note on her copy of the Recap Form. The same number will be affixed to the front of the entry. Write the Entry Number on the duplicate Recap Form that will be kept by the Club Chairman or Representative. This will make it easy to find the entries when picking them up at the conclusion of Spring Council.

If you are not prepared, you will be asked to step aside, complete your paperwork, and allow those with completed paperwork to be registered.
