President & 1st VP Zoom Meeting – 1st Wed of the month – June 3, 2026 7:00 PM

Zoom link & password coming soon….

Wow! For me, the last three months have been an informative, intense training in all things GFWC, CFWC, and SGVD! I have taken notes and will be sharing some of those things in this summer edition of our Key this month.

Our board has been dark these last two months. So much information has been given to us to distribute that it is necessary to create this "Summer Edition" of our Key to get you the information necessary for you to plan and create programs for your club.

I hope you have all been working to organize and get things ready to resume on September 18. Your new boards are invited to attend our summer training on August 29. We want to provide your boards with training to help those who may have never taken on a role in leadership. We want your clubs to look at SGVD as a resource to provide ways for your club to be successful.

I am extremely excited to announce that CFWC is stepping up its communication with members and districts. The leadership team will be meeting with members and giving us resources to help build our clubs. Membership Chairs will be meeting with Membership Chairs, Area B VPs will be having monthly meetings with Districts, and the CFWC Chairs will be meeting with the Chairs of clubs and districts. This means that your Chairs will be able to communicate on a regular basis with the District and CFWC Chairs to learn new ideas and projects for your club.

We continue to look for committee members at the District level. We are not focusing on leaders for the committees; we just want people to join their focus area and provide ideas for new projects and fun things to do. We have committees for all programs, Fun Clubs, fundraising, membership, and hospitality. Contact me if you have questions about what is required. I promise being on a committee is not committing you to being the Leader. We have those. We just need your help in implementing new ideas and expanding our outreach.

Have a wonderful summer,

Don't Forget to bring to the Sept. 18th Meeting…..

President & 1st VP/Dean Zoom Meeting

September 19, 2026 at 7:00 p.m *Zoom link & password coming soon….*

Welcome back! I hope each of you had a wonderful, relaxing, and memorable summer. I am looking forward to serving as your First Vice-President.

A new year brings new opportunities, new projects, and plenty of reasons to come together. I am looking forward to all that our Chairmen have planned for us and to the wonderful programs and projects they will be bringing to the district.

Most of all, I hope we will all make an effort to enjoy one another and take advantage of the many opportunities we have to gather, support each other, and make a difference in our communities. There is something special about what we accomplish when we come together as a district, and I am excited to see what this year will bring.

As your Fundraising Chairman, I also want to give you an early reminder to mark your calendars for October 24th! This will be our first fundraiser of the year and our first opportunity to come together in a fun and festive setting. More information will be coming soon, but for now, please save the date and make plans to join us. I would love to see everyone there as we kick off another successful year of fundraising, friendship, and fun!

Here's to a wonderful new year for the San Gabriel Valley District—one filled with laughter, friendship, service, and many happy memories. I look forward to seeing all of you and sharing this exciting year together!

STRONGER COMMUNITIES START WITH US!

GFWC encourages clubs to become active partners in building safe, informed, and connected communities. Civic Engagement & Outreach projects can support veterans, military families, first responders, citizenship, community safety, emergency preparedness, and civic involvement.

This month, choose one need and one action. Assemble care packages for deployed service members, recognize local first responders, host a voter-registration or civic education program, collect supplies for veterans, create emergency-preparedness kits, or partner with a local community organization.

Our clubs have the power to turn caring into action. Get involved. Build partnerships. Serve with purpose. Strengthen your community!

Local Libraries of Los Angeles

Los Angeles is home to a large and diverse public library system that provides valuable resources to people of all ages. The Los Angeles Public Library (LAPL) includes the Central Library and 72 branch libraries throughout the city. These libraries serve many different neighborhoods, making it easier for residents to find books, information, technology, and educational resources close to home.

The Central Library, located in downtown Los Angeles, is the main library of the system. Its historic building opened in 1926 and is known for its beautiful architecture, murals, and large collections. The library offers millions of books and other materials, public computers, Wi-Fi, study spaces, exhibitions, and programs for children and adults.

Neighborhood branches also play an important role in Los Angeles communities. Libraries such as the Little Tokyo, Hollywood, Westwood, Watts, Vernon, and Echo Park branches provide convenient access to library services in different parts of the city. Many branches offer computers, printing, educational programs, children's activities, and opportunities for people to read and study.

Overall, Los Angeles libraries are more than places to borrow books. They are community spaces where people can learn, use technology, attend programs, and find information. With libraries located throughout the city, the Los Angeles Public Library helps make education and knowledge accessible to a wide range of residents.

I love my county library card!! It allows me to order books and audio books to be delivered to my local library at no charge Thank you, Sonia Wildhaber

Hello! Welcome to our new year. It's going to be a fantastic year for SGVD!! My name is Tina LaCarra. I am a member of Whittier Women's Club and Pio Pico Woman's Club. I hope to introduce you and your club to ideas to promote Health and Wellness this year. One of our ideas is to host a Pet Bingo. After one of our SGVD meetings, collecting pet supplies and if you bring items, you get a Bingo card! Pets are proven stress relievers. Lots more info coming soon. Stay cool, drink fluids. See you soon. Have positive moments in your day. Tina LaCarra

LEADS — WHO WILL BE OUR NEXT LEADER?

Do you know a clubwoman with leadership potential? Now is the time to encourage her to apply for CFWC LEADS! The Leadership Education and Development Seminar (LEADS) helps identify and develop members who demonstrate leadership potential and a commitment to GFWC. Participants gain valuable skills, confidence, and knowledge they can bring back to their clubs and communities.

Look around your club. Who is enthusiastic, dependable, willing to learn, and ready for the next step? Sometimes future leaders simply need someone to recognize their potential. Encourage her. Nominate her. Invest in her future. *Today's LEADS candidate may be tomorrow's GFWC leader!*

THIS & THAT

Mavis Hansen ·• El Monte WC ·• 626-441-6231 • **newmavis082026@outlook.com**

Even though it is still quite hot outside it will soon be time to bring out our jackets and for some to get the kids ready for school or college. Moms or not, whichever Women's Club we belong to, it is time to get busy with what we need to fulfill our responsibilities. Dust off that Procedure book, Read your ByLaws and Standing Rules.

Unsure of how to do something or have questions? Ask the person who did the job before you, your President or one of the Past District Presidents, sometimes known as 'The Wise Owls' who are always ready to help! Help is a marvelous word. It can solve many problems, either by getting help from someone or giving help to another. Either way, it's great to give and nice to receive. Would you believe that many are just waiting to be asked?

A very important beginning to any meeting is to START ON TIME! And also, for those attending, DO NOT BE LATE! Better yet, give yourself some happy time before the meeting to greet your friends with smiles and hugs. Don't forget the new people who would welcome a friendly smile or hello, help them to find a seat and know they are being welcomed into our wonderful club and maybe you might be finding a really great new friend! As our Collect reminds us, Always be kind!

In Federation Friendship, Mavis. P.S. Any suggestions for This & That?

PROTECTING OUR BIRDS — ADVOCACY IN ACTION

Our District is taking action to help protect California's bird populations through a proposed resolution addressing the dangers birds face in our communities. The resolution focuses on increasing awareness of preventable threats, encouraging responsible practices, and supporting measures that protect birds and their habitats.

Why a resolution? Because resolutions give clubwomen a collective voice and can provide a foundation for education and advocacy at the District, State, and GFWC levels.

This is more than protecting birds—it is about protecting the ecosystems we all share. One resolution can begin a conversation, inspire action, and create lasting change.

GFWC has a new contest in this Program!

GFWC LEGISLATIVE BINGO…. During the 2026–2028 GFWC Administration, clubs and individual members are invited to participate in the Legislation/Public Policy Committee's Unity Project—Legislative Bingo.

The concept is simple. Complete a "Bingo" during the calendar year by finishing all the activities in one row of the Bingo card—across, down, or diagonally. Participants who submit proof of their completed activities by the March 15 deadline will receive certificates in 2027 and 2028.

For those ready to take the challenge even further, special recognition will be presented at the 2027 and 2028 GFWC Conventions to individuals and clubs that complete every square on the Bingo card.

Legislative Bingo is designed to help members visualize their advocacy successes while building confidence in the legislative process. The activities range from quick, easy tasks to more involved experiences, allowing participants of every level to grow their legislative knowledge and engagement at their own pace.

The Legislative Bingo card is available in the Digital Library of the GFWC Member Portal under Legislation & Public Policy. Gather your club members, mark your progress, celebrate your accomplishments, and discover how much fun advocacy can be! (Or see the next page….)

In this month's **Baldwin Park Women's Club** newsletter "*The Lark Notes*", they shared about their club's reports from 2025. See article on the right>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>

Share your club's good news to your members and your community on your website (or newsletter.....) !!

See below what Whittier Women's Club posted on their website (**whittierwomensclub.org**)

OUR CLUB BY THE NUMBERS

In the last reporting year (2025) we received several awards as reported in these Lark Notes. Every hour spent, every dollar raised or spent, adds up. Members relay the information from club and community activities where it is made part of our annual report where it best fits. This year we reported in 8 of 11 available categories; winning awards in 7. The numbers here would be higher if we reported in all 11. We received $100 as part of winning the SGVD Leadership Award. These numbers represent what members individually spend in terms of dollars and time, so it really does add up! **Don't forget to report!**

Number of **Projects** Reported	**85**
