

OCTOBER 2024

THE KEY

SAN GABRIEL VALLEY DISTRICT OF WOMAN'S CLUBS

PRESIDENT'S MESSAGE

Gina Morales

Good Morning

As members of the General Federation of Women's Clubs, we are here to use our skills, talents, and energy to help a greater cause. Today we have the opportunity to contribute to a 100 year plus organization through fundraising, communication, leadership and teamwork.

G.R.A.C.E. Oxford dictionary defines grace as: simple elegance, courteous goodwill, or to do honor or credit to.

Today I will share 4 acronyms that we as volunteers can apply to our work and ourselves almost everyday.

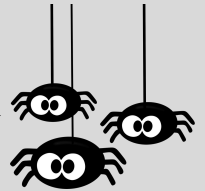

- **Gain, Recognize, Assess, Cultivate, and Evaluate:** A therapeutic framework that combines fix-what-is-broken and build-what-is-strong approaches to improve well-being.
- **Generosity, Responsiveness, Authenticity, Compassion, and Empowerment:** A leadership framework that aims to create a productive, connected, valued, and resilient workplace.
- **Generosity, Respect, Action, Compassion, and Energy:** A set of attributes that can help guide behavior in a crisis
- **Generalisability, Reliability, Applicability, Validity and Ethics:** An acronym used in psychology to evaluate different aspects of a study.

PRESIDENT'S MESSAGE (CONTINUED)

I immediately related to this acronym. As a club woman, I attempt to always put my best foot forward. This is not easy. I must remind myself to take deep breaths, to be optimistic and quite often to look outside the box and also from another perspective. As new leaders step forward, I ask you for Grace. At one time this was a new position for all of us. We are here to support and build while we each contribute to being part of something larger than oneself.

1ST VICE PRESIDENT, DEAN - DEVISE JACKMAN

Time is Precious.... We all know this as Clubwomen. It should be in our BYLAWS that we take time for ourselves. We know that we have limited time to do the things we want, the things we need and we need to take the time to relax.

As your Dean, I am responsible for helping you and your club provide a written report to the SGVD, CFWC and GFWC for recording of your efforts as volunteers. This month, I wanted to have a meeting where I could help you and come up with ideas to help you get your reports written. Unfortunately, I only received 4 RSVPs, and when I called all the Deans for the Clubs, they didn't know about the meeting, or they could not take the time to attend the meeting in person. So, to save precious time of our Deans, I opted to cancel the "In Person" meeting and reschedule the meeting to a ZOOM meeting in October.

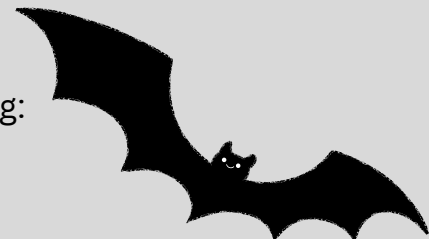

I don't want to waste your time with another "this is the way you do it" training session. I want to get the necessary information from you, help you with your questions, give you ideas, and make your report writing easy peasy.

In the past, (I know from personal experience) that reports were a real pain to submit. Reports were rejected and it made it hard to comply. I want this to be a easy job, that you can brag a lot and give your report, so that you can get the accolades for your jobs well done. We, as SGVD, want to celebrate your clubs for all the hard work you put in all year long. So this year, lets plan to get at least 5 reports from each club!

CHAIRWOMEN: Please don't forget to submit your three Judges to me by November 8! The judges cannot be members of a women's club. They should be someone who can read the reports, take the time and provide valuable input.

Please mark your calendars for the new date and time for our meeting:

**ZOOM Meeting on
October 23, 2024 at 7:00 p.m.**

2ND VICE PRESIDENT, MEMBERSHIP - TERRI CARDENAS

Reminder: Please submit your new memberships at the SGVD monthly meetings!

3RD VICE PRESIDENT, CONVENTION - ABBEY HOWELL

Hello Sisters and Brothers in Federation,

Welcome to the 4th Quarter of the year. It's exciting to know that most of the District and Clubs have completed their Fiscal Year Budget, Adopted Signature Club Projects and working on fundraising concepts to support Club Delegate. This will help with defraying some of the cost, so that they will be able to attend next year's 69th Annual San Gabriel Valley District Convention.

There were 43-Club Delegates in attendance at the September 13th General Business Board Meeting, which voted to approve a (1)-day Convention during the off election year. It's official... the Convention will be held at the Montebello, CA. Quiet Cannon on Friday April 25, 2025 – Meal cost \$139.00 plus Convention Registration fee \$12.50 = total \$151.50. includes; breakfast, lunch and dinner. Mark your calendars and start spreading the word. The District will be honoring, Citizen of the Year; Club Member of the Year. We will also hold the Federation Memorial Program.

I would personally like to thank everyone that supports the District Convention Raffle sales on a monthly basis. We were able to raise over \$300 at the September meeting. The new ticket cost is \$10.00 for 16-opportunity drop tickets, one number 1-sheet.

Save the Date: SGVD Convention Committee Zoom Meeting – October 22nd at 7PM

Link will be forthcoming.

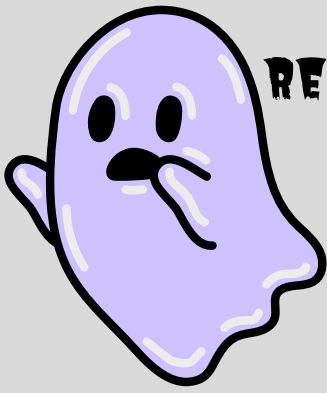

Thank you

Abbey Howell-3 rd Vice President/Convention

CO-PARLIAMENTARIAN - CRUZ BACA

Hello! Members,

Welcome fall!! Hope your are all well and enjoying the cooler weather. Some of you might be asking, “What does a Parliamentarian do?” To sum it up a Parliamentarian keeps order in our meetings, we are expected to know, not only protocol, but SGVD By Laws, as well as, GFWC and CFWC By Laws and Robert’s Rules. I’m still going through everything and learning to prepare for our meetings. Robert’s Rules simply says that “Rules” are designed to give everyone present a voice, and to ensure that discussion stays on topic. This is the gold standard in parliamentary procedure, and this framework prioritizes participation, resolutions, and results. Please let me know if you have any questions.

I am proud of being a part of the San Gabriel Valley District.

In Sisterhood,
Cruz Baca
SGVD Parliamentarian

WOMEN'S HISTORY - CHAIRWOMAN CLAUDIA MAIDENBURG

History is not what happens. History is what we Teach

For most of time history is written by the men in power and is focused on what men did in war, politics, diplomacy and government. What is valued by men determines what is historically important. If a woman played any part, the history that is taught often eliminates our contribution or describes it within the sex stereotypical roles of wives, mothers, daughters and mistresses.

Taught history often minimizes or ignores the contributions of women and efforts to correct the record are called historical revisionism rather than “truth”.

One way that gives people confidence and enables them to strive to contribute comes from the perspective we gain when studying who did what in the past. Limiting what is taught about the contributions of women to our society gives the impression to our young women that making your mark is too difficult and won't be valued anyway. It also gives support to our young men in any belief they may have that they are the only ones who can do great things.

Some key moments in women's history include the suffrage movement, which fought for women's right to vote; the feminist movement of the 1960s and 1970s, which brought attention to issues such as reproductive rights and workplace discrimination; and the #MeToo movement, which has drawn attention to the prevalence of sexual harassment and assault. In those movements that supported our ability to be respected as valued and contributing members of society success came from the cooperation among unrelated women working together for their common good.

Are you on a school board? Do you participate in school related parent organizations? Can you talk to those who are boards or in parent organizations? Does your club have education related projects? Saying yes to any of those questions means you have the power to impact what is taught. That means you can influence what history says and what will happen in the future.

All of us are role models for our families, our Club sisters and our communities. All of our Clubs do something to support education. Our efforts can include being a part of what is taught in our schools and behavior that reinforces the valuable lesson that cooperation and support among women is the only way to ensure we will ever have equal rights, privileges and power.

COMMUNICATIONS CHAIR - DENISE JACKMAN

Is it too early to learn a lesson? Well, I have learned my first lesson as your Communications chair. I learned that there are so many ways to communicate with people, texts, email, website, The Key, Facebook, Instagram, and word of mouth. Inevitably despite putting training out there, not everyone gets the message.

We all struggle getting people to participate in trainings. We put forth the effort, invest a bunch of time into something and prepare for a great turnout, only to get 7-8 people. It seems like everyone isn't interested in the information we want to provide, but the fact is that they probably didn't know about it.

As Presidents, Vice Presidents and members of your club, it is everyone's responsibility to get the message out. We all have members that say, "I can't be here, or I can't do that because..." but maybe someone might have the time to send emails or texts to your membership. This is also a great way to find out if someone in your club is not feeling well, or needs some help. That person can be the person who tells the President what is going on with members and what announcements to make.

In my Club, we have a text message chain that has all of our members and we use it for important information and we post Happy Birthday to members having a birthday on the day. Its fun to see everyone wishing members a happy birthday and it brings us closer as a team!

My lesson is to all of this, SGVD may be trying out new ways of communicating, so be on the watch for different communication sources. We are experimenting to see what responses we get. The **BEST WAY** to get information about what is going on is to **ATTEND YOUR DISTRICT MEETINGS THE SECOND FRIDAY OF EACH MONTH!**

HAVE YOU SEEN OUR NEW WEBSITE?

Wow! What a great website! Our Webmaster Janice Zolnekoff, Whittier WC Dean has created a "go to" place for all things SGVD. We are excited to continue to provide you with the latest and important documents you need to be "in the know" for everything SGVD.

Take a moment and send your thoughts to Janice and let her know what other things that we can provide that would be helpful. Her email is: gzolnekoff@gmail.com

Thank you Janice for all your hard work on this!

CHIPS FOR KIDS - JOANN SNYDER

Good Morning Ladies and Gentlemen,

I would be remised if I didn't mention the wonderful men who are supportive members in many of our clubs, and speaking of wonderful men, I have a correction in the spelling of the last name of our CHP liaison, it's officer Joseph Davila not Avila.

Now then, just a couple of weeks ago we officially welcomed our Fall Season with it's beautiful cooler weather, and our hearts automatically go towards our Holiday planning, which will be here in only two months, Thanksgiving and Christmas, and as we look forward to these wonderful Holidays, lets keep in mind all of the children who were able to enjoy a Merry Christmas because of our generous donations of either an unwrapped age appropriate toy or a \$10.00 dollar gift card to either Subway, In and Out, McDonalds, Target or Walmart.

And I will be looking forward to seeing you all at our next District Meeting as well at our Fall Tea Party.

Until then, continue to be safe and enjoy all of our daily blessings.

JoAnn Snyder – Chip's for Kid's Chair

MORE FROM YOUR PRESIDENT - GINA MORALES

Hello SGVD,

It has become painfully obvious that communication is an issue we must tackle. We have multiple ways of reaching out to members, yet we still seem to be missing. We will eliminate the tasks of presidents forwarding any and all information regarding SGVD, CFWC and GFWC by creating an email list of all members.

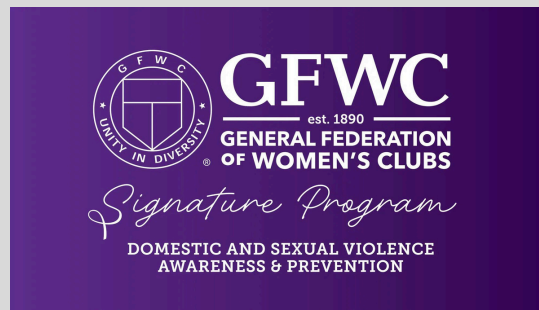

Some of your E.C officers will also be creating text groups. Our goal is to make sure that every member has information related to their own office or chair position.

The Area B Conference is coming up soon and it is my request to have each club donate items from the list on the registration form. Register each member individually and pay per person or with a club check. Gather your clubs donations and bring them with you to the Yanks Air Museum on Oct.26 Remember Area B Meetings are not always held locally to us.

Please do your best to attend.

Enjoy the cooler weather and earlier sunsets,

Gina

The goal of the GFWC Signature Program is to increase awareness of and help prevent the widespread occurrence of domestic and sexual violence abuse in communities across the nation. The Signature Program has eight areas of focus:

Campus Sexual Assault

Campus sexual assault is any type of sexual contact or behavior that occurs on a school campus without the explicit consent of the recipient.

Child Abuse

Child abuse includes all types of abuse and neglect of a child under the age of 18 by a parent, caregiver, or another person in a custodial role that results in harm, potential for harm, or threat of harm to a child.

Elder Abuse

Abuse later in life includes the physical, sexual, or psychological abuse, neglect, financial exploitation, or stalking of an adult age 50 years or older.

Human Trafficking for Sexual Purposes

Sexual human trafficking is any act that has been induced by recruitment, harboring, transporting, provision, obtaining, patronizing, or soliciting of a person for purposes of a sex act in which anything of value is given to or received by any person.

Intimate Partner Violence

Intimate partner violence (IPV) includes physical, sexual, or emotional abuse, as well as sexual coercion and stalking by a current or former intimate partner. An intimate partner is a person with whom a person has or had a close personal or sexual relationship.

Military Sexual Assault

Military sexual assault is the use of force, threats, intimidation, or abuse of authority during intentional sexual contact. It also includes instances where the survivor is unable to consent. Survivors of military sexual assault include both men and women.

Teen Dating Violence

Teen dating violence (TDV)—also called intimate relationship violence or intimate partner violence among adolescents or adolescent relationship abuse—includes physical, psychological, or sexual abuse; harassment; or stalking of any person ages 12 to 18 in the context of a past or present romantic or consensual relationship

Violence Against Native American Women

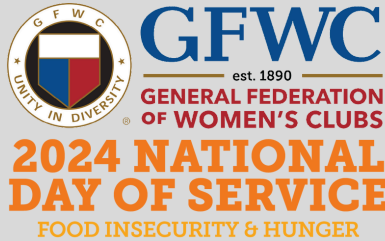

American Indian and Alaska Native (AIAN) women and two-spirit people in tribal communities are disproportionately affected by sexual and gender-based violence in the United States. Research and advocacy have brought attention to the unique nature of victimization in our AIAN communities.

Tell us how your Club is working on one or more of these projects so we can combat this violence against women!
