The KEY • September 2025

From the President

Gina Morales • El Monte WC • emwc.ginamorales@gmail.com

Hello SGVD! Welcome back members!

As we approach the second half of our term, I'm reminded of the quiet power of consistency. It's not always the grand gestures that shape a legacy—it's the steady presence, the thoughtful follow-through, and the courage to speak with clarity when it matters most.

I've seen the executive committee lean into leadership in new ways: mentoring others, asking bold questions, and stepping forward with ideas that challenge and uplift. These moments aren't just encouraging—they're transformational. They show that our district isn't just functioning; it's evolving.

We've made space for growth by honoring tradition while inviting innovation. Whether through updates, club visits, or heartfelt conversations, we've kept our focus on integrity, openness, and shared responsibility. That's the kind of leadership that lasts.

We're moving forward—not repeating patterns. Leadership thrives when it's rooted in principle and sincerity. When collaboration is genuine—not performative—it builds stronger teams and deeper respect. We're embracing a new direction: one that values ethical leadership, shared purpose, and genuine empowerment. In this district, leadership will be shaped by trustworthiness and not influence. We rise by supporting one another.

Progress is already underway. We've welcomed new committee chairs, have presented our first event, "Gatsby Gala" and begun outreach for this year's leadership development series. Thank you to everyone contributing behind the scenes—your efforts are laying the foundation for a stronger, more inclusive future.

Let's lead with intention—and build a legacy we're proud to pass on. If you've ever considered stepping into a leadership role, now is the time. Reach out, ask questions, and explore how your strengths can serve our mission. Clubs: take a moment this month to ask—how are we cultivating leadership? Are we mentoring, inviting, and empowering? Let's make it intentional.

With heartfelt thanks to each of you—members, leaders, and supporters—who continue to show up, speak up, and lift up**.** Your dedication fuels our progress, and your belief in one another is what makes this district extraordinary. As we move ahead, I remain deeply optimistic about what we can achieve together. Let's continue to lead with integrity, grow with authenticity, and build a future that reflects the very best of who we are.

Gina

From the Parliamentarian

Cruz Baca • Baldwin Park WC • cruzsembello@hotmail.com

As SGVD Parliamentarian I want to open communication to any member that might have questions. As I have mentioned before, it is very important to understand and often review your Clubs "By Laws", not just Parliamentarian's, but all Members as well. Not only to know, you are in compliance when making decisions, but to help make changes when necessary. Times change and we need to be aware of what might need to change. Good idea to review on a yearly basis...form a committee, get input from your Members. This will keep you not only informed but current.

In Sisterhood, *Cruz Baca,* SGVD Parlimentarian

Communications & Social Media

Welcome Back San Gabriel Valley District! We are excited to have you back! As your Communications Chair, we are getting ready to start a new Electronic Newsletter through Constant Contact. We will have access to flyers from clubs, articles, announcements, and information. This new system is scheduled to go out September or October 2025.

Social media is “Buzzing” along with CFWC and their social media campaign. I am on the CFWC Social Media Team and we are promoting clubs and their activities through Facebook. We are using Facebooks algorithms to promote your clubs in the events that you have the things that you are doing for your community. This will boost your Club Facebooks so that you get some serious visibility by the public! This visibility brings prospective members to your club. So, we ask that you post, post, post to your pages!

Finally, we are asking that everyone “like” the below listed pages in Facebook. They will help our numbers, our visibility. Join our groups because we will be posting flyers of things going on in our District and California.

- GFWC – San Gabriel Valley District
- GFWC – California Women’s Clubs (official page)

Looking forward to your participation at District this year!

1st VP Dean of Chairwomen

Denise Jackman • RHWC • denisejackman4@gmail.com

I am super excited for our membership to start meeting again! We have an amazing line up of projects that our district will be doing this year.

We have a very motivated group of Team Leaders for Advocates for children, Civic Engagement, and Environment and many more. We already have projects planned for Health and Wellness, Domestic Violence, Legislation, and Public Policy. We have new ideas for speakers, projects and fun stuff planned!

As of this writing, we still have two Team Leader positions we are looking for: Domestic Violence and Women's History. We encourage you to consider one of these positions. This year we have goals to meet and we want to show the "volunteer spirit" of the San Gabriel Valley District.

The requirements for being a Team Leader are a minimum of one project with a final report, a minimum of 6 articles for the Key and the end of year responsibilities for District reports. These tasks include finding three judges to read reports submitted by the Clubs and report the winning results.

I invite you to contact me to discuss these leadership positions. You will grow, learn and have fun doing it. We are looking at building teams around you and making Team Leader positions fun.

If you are a Club Chair, we invite you to be a part of the District Teams. If you are an Environmental chair, contact the District Environment Team. If all clubs participate, we will have teams for each category. This is how you find out what all the Environment teams are working on in California, because your District Team Leader will have the scoop. Education will be forthcoming this year, from California Teams through zoom and upcoming conferences like CFWC Summer conference, WSR and Winter boards.

Let's make this the best year yet!
Your 1st Vice President,
Denise Jackman

Membership Report – September 2025

As we continue to build a district rooted in integrity, collaboration, and shared leadership, I'm proud to report that we are 1,134 members strong. Let's work together to increase member engagement and commitment. Each meeting is more than a calendar event; it's a space where ideas take shape, voices are heard, and our collective vision is strengthened.

Theme: Membership Month – Wear Your Club Colors!

As we step into September, let's celebrate the heart of our organization: our members. This is the perfect time to recognize new faces, honor long-standing contributors, and invite others to experience the joy of service and connection.

Action Steps for Clubs:

- Host a "Bring a Friend" meeting or social.
- Share member spotlights in your newsletters or social media.
- Encourage club colors at all September events—let's show our pride!

District Goal:

Let's aim for 100%-member retention and welcome at least one new member per club this month. Together, we grow stronger.

Opportunities for Growth:

• Mentorship in Action: Let's invite newer members to shadow experienced leaders during meetings. It's a powerful way to build confidence and continuity.

• Spotlight Moments: Consider short "Member Spotlights" at each meeting to recognize contributions and deepen connections.

• Personal Attendance Goals: Setting a simple goal—like attending one meeting per month—can help reinforce commitment and accountability.

Gratitude & Call to Action: To every member who attends, contributes, and uplifts—thank you. Your presence is the foundation of our progress. Let's continue to show up for each other, for our mission, and for the future leaders we're inspiring every day. Together, we're not just attending meetings—we're shaping a movement.

Having worked on our Yearbook updates all summer, we should have the Yearbook ready for you at this month's District meeting on **Fri. Sept. 19**. We could not have accomplished this without your help. Thanks so much for turning in your club officer's list, etc. If you have any updates or changes please email the information to Rosette Clippinger at dbrosette@aol.com Thank you for all of your help in this!

Please provide *6 copies* of your yearbook to the District at the September meeting.
We need these so that we can provide them to your district officers.

From LEADS

Do you have a new member that needs some amazing training? The SGVD LEADS Candidates that have attended the LEADS training at State are going to do a mini-LEADS seminar on Sat. Sept. 20, 8-11am. This seminar will give you a taste of the things you will learn at CFWC if you are selected to be the San Gabriel Valley District LEADS Nominee. See the flyer in this month's KEY for more info. The LEADS application is available on the website Resource page.

From the Health & Wellness Team Leader

Tina LaCarra • Whittier WC • lacarrads@aol.com

Now that the end of summer is coming, I hope your heart is full of memories made these past months. My name is Tina LaCarra from Whittier Women's Club. I'm currently the club's co-president.

I offered to chair Health and Wellness because without health, where would we be, right? But when thinking about health and wellness we must not forget mental health.

- Friends are so important for love, hugs and our mental health...
- If a friend comes to you with a problem, be sure to be positive and supportive. Take out ear buds, make eye contact.
- If you have a friend with a problem and you feel their challenges are beyond your ability, offer to find another means of support. Be honest with them.
- When meeting a new friend, look for kindness, consistency and loyalty. For me, personally... I love laughter.
- If you have friends that are not good for your mental health, ask yourself if you feel seen and heard. Think about the quality of friendship... having 3-4 close relationships is a good goal!
- Of course, being involved in organizations is a perfect place to meet and renew friendships.

Have a positive day!

From the Education and Libraries Team Leader

Karen Campbell • Walnut Valley WC • yotcrew@gmail.com

Dear Federated Sisters, I'm Karen Campbell, 1st Vice President for Walnut Valley WC and this year's Education and Libraries Team Leader for the District.

Many of you do not know me & I hope to change that. I am a mother of 2 grown men (no grandchildren). My husband, Jim, and I celebrated our 50 th Wedding Anniversary In July. We have lived in the San Gabriel Valley our entire married life, with the last 40 years in the City of Walnut.

In 2022, I got involved with Walnut Valley Women's Club due to the fact Jim has been the Santa Claus for the last 8 years for the Tree Lighting Ceremony at Fire Station 61 in Walnut. The "philanthropic programs" offered by the Walnut Ladies interested me & I became a member. The Club was so inviting & comfortable, it did not take long to become immersed into the Club & its activities.

20 years ago, I retired as senior legal analyst finishing my career as an International Trademark prosecutor (which means, I registered & maintained large trademark portfolios for many of the products & services you use every day). I guess I should say "I thought I was retired," but I have an unusual part-time job. I was able to create a profession that incorporates my passion.

I am a sailor by passion. I race sailboats mostly in Southern California but have done regattas in Mexico, Caribbean, sailed with girlfriends in Europe. I am not racing nearly as much as I use to. Actually, this summer I have not been able to race a single time due to the fact in May, I broke my leg. Now, that is a long, sad story which I will not bore you with.

My profession is to rate dissimilar sailboats to race each other using a handicapping system. The organization is called Performance Handicap Racing Fleet of Southern California (PHRF SoCal) It has been in existence for over 80 years but I have only been the Administrator for the last ten. I also sit as a member of the Board of Directors for a sailing foundation & among other events, we sponsor an introduction of sailing to women, coached by women – called SEA GALS out of Long Beach.

Several of the WVWC ladies have partaken in the event & have learned a bit about sailing on the ocean in a 37 foot race boat. I hope many of you will take advantage next year when the event opens up for registration. I will gladly share my love of boating with anyone willing to listen. I look forward to this new adventure to be shared by us all.

Karen

Domestic and Sexual Violence Awareness

San Gabriel Valley District is looking for a Team Leader for our Domestic and Sexual Violence Awareness Team. As a District, in the past, we have had a Domestic Violence Chair, and coincidently, the Chair was also was the Chair of the DVAC Program that is currently run and owned by the Covina Women's Club. Which means, that any projects or events that occur at the Covina Women's Club DVAC program would be reportable to SGVD and CFWC by Covina Woman's Club at the end of the year. While members of the district may be involved in the DVAC Program, DVAC is not a division of the San Gabriel District.

We are looking for a San Gabriel Valley District Domestic Violence Team Leader to represent District at the CFWC Domestic Violence Chair meetings via Zoom and report back to our district. We would also like this person to be our Team Leader to all the clubs in the SGVD and let Clubs know what CFWC, SGVD and GFWC is doing to help. As a Team leader, you would be responsible for one project a year and you will be responsible for obtaining three judges to judge the Club's year end reports and report the results to the District.

We know that special person is out there that has a passion for this position. ***We invite you to contact the 1st Vice President to volunteer.***

From our CHiPs for Kids Team Leader

JoAnn Snyder • Pio Pico WC • jsnyder659@gmail.com

Welcome back to all of our District club members! I am hoping that you all enjoyed a wonderful summer break and are looking forward to our District's new calendar of events for the coming year.

It won't be long before the Holidays are here and we will be spending time with our family and friends.

Just a reminder about our Annual CHiPs for Kids toy drive at our December 12th District meeting. Last year we did an amazing job and I would like to see a repeat. The request will be the same - unwrapped age appropriate toys, and/or **$10 gift cards** to either Walmart, Target, Subway, In'N'Out or McDonald's. There will be a gift bag in front of our Treasurer's desk for safe keeping of the gift cards.

Looking forward to seeing you all again.

From our Environmental Team Leader

Floretta Sheppard • Whittier WC • floretta-glenn@outlook.com

As chairman for the Environment, I would like to discuss the subject of California wildfires. While there are multiple reasons for our failure to deal adequately with wildfires, one of them involves compensation. This article is going to provide information about our brave wildlands firefighters. I will be using information from "The Catastrophic Effects of Bad Policy: California Wildfires," written by Tess Abraham.

The LA Fire Chief has stated that all 29 fire departments in LA County are not prepared for wildfires of the magnitude we have recently seen in California. LA County fire departments are prepared for one or two major brush fires a year, not wildfires.

This is the result of a massive shortage of wildlands firefighters in California. Firefighters, who work for CalFire or even the federal Forest Service firefighters, specifically prepare and train for wildfires. They work 72-hour weeks and are gone weeks, if not months, at a time from their homes. It is not uncommon for them to work 1,000 hours of overtime during a fire season, sleeping out in the ash and dirt and breathing in smoke. Researchers at the University of Montana have stated that units of federal "hotshots" or "smokejumpers" can expend as much energy during a fire season as cyclists competing in the Tour de France.

City and county firefighters are well paid in California. This is not true for CalFire firefighters. In 2023, the starting wage for CalFire was $15.56 per hour. The President of CalFire Local 2881 said that they are running into staffing problems. Why work for CalFire when you can work at Target or In-N-Out for $22 an hour?

Sadly, CalFire fighters deal with problems of high rates of suicide, divorces, drug and alcohol abuse and PTSD. CalFire is losing firefighters due to not being able to compete with local fire departments in salary and varied on-the-job work experiences. In 2023, 35% of all authorized CalFire wildlands firefighter jobs went unfilled!

If you would like more information about wildlands firefighters, I recommend you read "When It All Burns" by Adam Thomas.

CHILD ADVOCACY

Denise Bouchot • La Puente Valley WC • denisebouchot@gmail.com

Hello, my name is Denise Bouchot from La Puente Valley Women's Club.

I've been happily married to my husband for 25 years, and we are the proud parents of two incredible children, one of who is now an adult, and our youngest, Cyrus, is eight years old. Cyrus is non-verbal and autistic and ever since his diagnosis, I've made it my mission to be his voice and the voice for all children who cannot speak for themselves.

Being a mother to a child with autism has transformed my life and inspired a deep passion in me: to learn, to advocate, and to serve. I truly believe that children are our future, and it is our responsibility to ensure that every child, regardless of ability is seen, heard, and supported.

That's why I chose to get involved, and why I'm so proud to serve as the SGVD Child Advocacy Chair. My passion for understanding autism and supporting children in need runs deep, and I'm committed to making a meaningful difference in their lives and in ours a community.

THE KEY DISTRICT NEWSLETTER The San Gabriel Valley District Newsletter, The KEY, is published monthly except for July and August. It contains reports from District Officers and Chairmen, members, information about District projects and activities. It also contains dates of SGVD, CFWC and GFWC events, meetings and conventions. This is a valuable resource for planning purposes. Also featured are many club announcements including fundraising events and requests to support projects within the San Gabriel Valley District Membership.

The KEY will be posted on the SGVD Website: www.sgvd.org and may be downloaded free of charge. Club Presidents will be emailed a copy on the first of the month free of charge to share with club membership.

Club members wishing to receive *The KEY* via U.S. Postal Service may subscribe for a yearly fee of fifteen ($15) dollars. We have had a print cost and postal mail cost increase. (Motion adopted at June 2023 Meeting Business Board Meeting.) The subscription year is **June through May. Subscription names and address must be typed and include the club's name on a submitting form with Club Check**. The form is printed below.

If you wish to submit an article, it must be **typed** and mailed by the 20th of the month to the editor or emailed (preferred) by the **25th of the month** previous to publication. Information about club events may be submitted for publication in the *Club Announcements Section* at a cost of $10 per running month. This should be no more than three lines and contain only the basic information such as **date, time, cost, type of event and contact person**. Club event flyers may also be submitted for publication for $10 per month ($100 a year).

Individual personal ads (not club ads) help defray the expense of *the KEY*. The cost of ¼ Page is $25; ½ Page is $50; and a Full Page is $100. This will cover the same ad in every issue for one year (10 issues).
