San Gabriel Valley District Women's Club

The KEY • October 2025

From the President

Gina Morales • El Monte Women's Club • emwc.ginamorales@gmail.com

Hello SGVD! Dear Members,

As we step into a new year, I want to thank you for your resilience, grace, and continued commitment. We've weathered a few bumps, and I believe we've emerged stronger, more dedicated, and hopefully willing to become more united. Thank you for leaning into the process with integrity and care.

Now, I'd like us to look outward.

Many of us joined our club because we felt a spark—whether it was friendship, service, or a shared purpose. That spark is real. But it's also part of something much bigger. Our district is but one thread in a vast tapestry that stretches across our district, area, state, and even internationally.

And this month, that tapestry shines a little brighter: our district has officially endorsed two of our executive committee members to run for state-level positions. Our leadership journey is a reflection of what's possible when we support not just the person—but the cause they represent.

So why support the whole?

Because the Whole Supports Us

- District trainings, area conferences, and state-level advocacy all exist to empower you—to give you tools, connections, and opportunities that enrich your leadership and deepen your impact.

Because We Are Part of a Global Legacy

- Our organization's reach means that your voice, your service, and your growth ripple far beyond our local meetings. You are part of a movement that spans continents and generations.

Because Collective Support Builds Collective Strength

- When we show up at district meetings, area conferences, CFWC meetings and/or conventions—we're not just attending, we're shaping the future, we're saying: "I believe in this mission, and I'm willing to help carry it forward."

Supporting the whole doesn't mean losing sight of our clubs. It means recognizing that our club is stronger when it's connected, informed, and inspired by GFWC

This month, I encourage you to:

- Attend a CFWC training.
- Read SGVD The Key, CFWC QuickBytes.
- Reach out to a member from another club and ask what inspires them.

Let's keep building bridges. Let's keep growing. And most importantly, let's keep showing up to lead with heart, purpose, and unity.

With gratitude and vision, Gina

Our 1st Vice President is putting out a challenge this month. **The club with the most tickets sold for the Gatsby Gala**, *will win a Pampered Chef Large Serving Dish for your club*. Well you can have an opportunity drawing and earn some cash for your next project or club. **So everyone get ready, and start selling those tickets!**

What Clubs are attracting our members?

Ahoy!

Navy Rear Admiral, Grace Hopper, had a favorite line — "The most dangerous phrase in the language is: 'We've always done it this way'" — and it wasn't just a slogan. It was her warning shot against laziness, bureaucracy, and fear of change.

Clubs that have a large and focused Social Network are gaining Gen Xers and Millennials. They include Photos of the members having fun and doing good. Clubs that have evening and weekend meeting times are gaining the Gen Xers that are still working due to the change in Social Security and Pension plans. Classic service organizations that were once Men only, now take women. And they are doing it better than our clubs are taking on men.

GFWC International With more than 63,000 members in affiliated clubs in every state, the District of Columbia, and more than a dozen countries.

Soroptimist Americas formed in 1921 in Oakland, CA, our name, loosely translated from the Latin, means best for women. Today, we have over 25,000 members and supporters in countries across North America, Latin America and the Pacific Rim.

Kiwanis International 445,167 Kiwanis family members around the world

Benevolent and Protective Order of Elks A fraternal order with hundreds of thousands of members and a 150+ year history and a network of nearly 2000 lodges in communities all over the country. (21 or older)

Rotary Club International 1.2 million neighbors, friends, and leaders volunteer their skills and resources to solve issues and address community needs

Lions Club International 1.4 million members in 49,000 clubs (family any age)

Lean In?

Here is a list of the most commonly recognized generations and their approximate birth years:

The Greatest Generation: Born 1901-1927 – 27 years

The Silent Generation: Born 1928-1945 – 18 years

- Grew up during the Great Depression and World War II, events that significantly shaped their attitudes and behaviors. These early experiences instilled a sense of frugality, hard work and duty, which defined much of their approach to life.
- Coming of age during the early Cold War era, many members of this generation prioritized job security and stability, often shying away from activism and public dissent. They are usually viewed as a stabilizing force during times of change

Baby Boomers: Born 1946-1964 – 19 years

- Boomers are known for their strong work ethic, which is usually characterized as work- centric, competitive and goal-oriented. As they entered the workforce, they also gained a reputation for changing the norms of work and retirement, pushing for more flexibility and a focus on work-life balance.

- Socially, baby boomers have been described positively and negatively: They are seen as a generation that values individual freedom and responsibility. However, they are frequently accused of prioritizing their own financial security, contributing to housing market inflation and environmental degradation.
- Their impact on politics and economics continues to be significant as they age, especially regarding social security systems and healthcare services, given their vast numbers and active involvement in civic duties.

Generation X: Born 1965-1980 – 16 years

- Gen Xers are known for valuing a work-life balance, pushing back against the work-centric mentality of their boomer parents. They were among the first to challenge the corporate ladder concept, favoring a more flexible and results-oriented work environment.
- Culturally, Gen X has made substantial contributions to music, art and technology. They drove the grunge music movement and the growth of independent film. Gen Xers were also the first generation to grow up with video games and embrace digital technology on a significant scale.
- Generation Xers are often considered the "middle child" of generations, overshadowed by the larger boomer and millennial generations.

Millennials (or Gen Y): Born 1981-1996 – 16 years

- This generation has been shaped by unique circumstances, including technological advancements, economic volatility and global connectivity, which have significantly influenced their values, behaviors and lifestyle choices.
- Millennials grew up during the rapid expansion of the internet and digital technology, making them highly adept at communicating and processing information through digital platforms. This tech-savvy generation has driven significant changes in how people connect, work and consume media, leading to the rise of social media, the gig economy and streaming entertainment.
- Millennials are known for their progressive values. They prioritize issues like climate change, social justice and inclusivity.

Generation Z (or iGen): Born 1997-2012 – 15 years

- Raised in the era of smartphones and social media, which profoundly influences their communication habits, information consumption and social interactions.
- Come of age during significant social, environmental and technological change. These shifts include global challenges such as economic inequality and political polarization, which have shaped the climate change worldview to be pragmatic and inclusive yet cautious about the future.
- In terms of technology, they fully embrace the digital age and seamlessly integrate digital tools into their daily lives for education, entertainment and socializing. Which leads them to be often criticized for being overly reliant on technology, having short attention spans, displaying entitlement and impatience, being overly sensitive in their focus on social justice and lacking the strong work ethic of previous generations.
- Value practical skills and job security, pushing them toward entrepreneurship and side hustles as ways to achieve financial stability.
- Strong sense of justice and a commitment to advocacy. They often use digital platforms to mobilize around issues such as climate change, mental health and inclusivity. Their activism is frequently aimed at effecting change at both the grassroots and global levels, illustrating their commitment to positively impacting the world.

Generation Alpha: Born 2013-2025 – 12

- We wait and see

1st VP Dean of Chairwomen

Denise Jackman • Rowland Hts WC • denisejackman4@gmail.com

In August, I attended the CFWC Summer Conference and participated in all of the meetings and learned quite a bit. CFWC has been a wonderful experience this year and they are providing wonderful learning experiences that will further our District and provide better resources for our clubs. As part of the CFWC Social Media team, I was responsible for making sure photos are taken of the event and creating content for their Facebook Page. This too was a fun experience.

I am truly thrilled to represent SGVD at state level as a Social Media crew member. Last weekend, I attended Western States Region Conference (WSR), was able to meet with other state presidents, enjoyed the parliamentary training in action. I watched as the attendees made cakes out of diapers. It was an experience and I learned a lot.

This month's meeting is a project for Domestic Violence and Breast Cancer awareness. We have a speaker from Women's and Children's Crisis Center who will speak. We are asking the clubs to bring toiletries items (soaps, shampoos, lotions, etc.) for the Shelter. We are asking that you dress in something pink or purple so we can take a photo of all of us for our website and social media.

In November, we will have a speaker arranged by our Health and Wellness Chair Tina LaCarra - from Save a Bow Wow Foster Care. The project will be to ask each club to collect dog or cat food donations and to bring the donations to the District meeting in November. If you don't want to lug a bunch of bags of dog food with you, we encourage your club to collect gift cards from your members for a local grocery or pet food store in the amount of $20.00 to purchase pet food.

As your 1st Vice president, I would love to be invited to come to your club and visit and see how we can help your club succeed. I would also like to help you with ideas on how to draft your reports individually. It is my job as your district VP to help you. If you need training in a specific topic, let us know, we will get you the leaders you need to help you.

I want to thank all of the new faces we have for our chairwomen. Child Advocacy is being lead by Denise Bouchet from La Puente Valley Womens Club. She is excited and has new ideas on how to support advocacy for the kids. We have Linda Arizaga from La Puente Valley Women's Club who is heading up the Legislation and Public Policy. Linda is working with some amazing speakers and how we can help organizations like Parents of Murdered Children. We have Karen Campbell from Walnut Valley Women's Club who is leading Education and Libraries and she has great ideas too.

Please register to receive the legislative updates from GFWC. We want to break some records and we want to achieve the challenge of the Legislative Ladder everyone is talking about. It is something ALL clubs are encouraged to try. Very good information on bills that are being passed at the state and federal levels so that you can take action. https://www.votervoice.net/GFWC/home We are looking for a Domestic Violence Chairman for the District. If you are interested, please contact me. I would love to talk to you.

As you can see, we are making changes to benefit your clubs, and we look forward to the next year with you and helping to make you a success. If you have ideas, please share them with us!

Don't Forget to bring to the OCTOBER 10th meeting:

- *Wear PINK or PURPLE!!*
- *Names of Club Delegates for 2025-26 Year.*
- *Gift Card for District "Gatsby Gala" Fundraiser with Reservations.*
- *Bring toiletries for the Women's & Children's Crisis Shelter!!*
- *Reservation form, club check for Nov 14 Fall Council Luncheon ($25/person)*
- *Club Information Form (formerly known as Data Blank) with club check*
- *A first timer!*
- *An updated Club Officer's list if not yet turned in…*
- *6 copies of your club Yearbook if not yet turned in…*

CFWC MEMBERSHIP FORM

From the Financial Team

Shari Kovach•Treasurer•skkovach99@gmail.com & Yvette Romo•Financial Secretary•ymromo4@gmail.com

Maintaining Financial Integrity will be the subject of the next **Financial Team Forum**. We will meet in person to discuss legal obligations and best-practice procedures. Open to anyone involved in the financial management of a San Gabriel Valley District club.

Financial Team Forum meeting date: **October 14, 2025, 11 a.m.**

Place: **New York Pizzeria**, 364 N. Lemon Ave., Walnut, CA 91789

Stewardship and Responsibility: Why Financial Integrity Matters

Nonprofits are built on trust. Every donation, grant, and contribution we receive represents the confidence our community has in our mission. Protecting that trust means ensuring every dollar is handled with care, transparency, and accountability.

Our finance team has an especially important role in this work. In addition to managing budgets and reports, they have a **legal responsibility** to oversee the nonprofit's funds with diligence. This includes ensuring compliance with state and federal regulations, maintaining accurate financial records, and safeguarding against misuse of resources. In short, the finance team helps ensure we are not only effective but also compliant and credible.

But financial integrity is not just the responsibility of one team—it's shared by all of us. Volunteers and staff alike contribute by using resources wisely, turning in receipts on time, and being mindful of costs. Together, we create a culture of stewardship where accountability and transparency are at the core of everything we do.

By honoring these responsibilities, we protect our nonprofit's reputation, strengthen donor trust, and ensure that we can continue serving our community for years to come. Integrity in finances is more than good practice—it's the foundation of sustainability.

By upholding both transparency and legal accountability, we safeguard our mission, honor our supporters' trust, and ensure that every dollar truly serves the community.

Having worked on our Yearbook updates all summer, we should have already emailed the Yearbook to club presidents. If you have any updates or changes please email the information to Rosette Clippinger at dbrosette@aol.com Let me know if you still have not received your SGVD Yearbook. Thank you for all of your help on this!

Please provide *6 copies* of your yearbook at the District meeting. We need these so that we can provide them to your district officers.

Communications & Social Media

Denise Jackman • Rowland Hts WC • denisejackman4@gmail.com

So many things are happening at the District!

We are promoting Facebook this month and helping you get the word out about your club. Being visible to the outside world is easy and we are going to teach you how to do it! If you need help setting up your Facebook account, let me know. I would love to help. Once it is up and running, you will be able to advertise all over the place with your projects and fundraisers.

As I am sure you noticed, our Chairwomen are also writing for the Key! We are going to be allowing the promotion of your events and fundraisers in our Key for **FREE**. WE want to promote YOU and this year, it is all about your Clubs!

Our next goal is to get set up with Constant Contact. This will enable us to communicate with all of our members and take the burden away from the Presidents from having to forward to everyone. We will also set up the ability to have weekly reminders of the events we are aware of. We believe this will be a benefit to all. We also will have monthly TIPS at our District Meetings, be sure to attend the meetings to get the most out of your Club and District experience!

On top of CFWC is GFWC and next year's GFWC Convention is in Arizona! Let's all start saving to attend one or more of the following events: the Area B conference, CFWC Convention and/or GFWC Convention. Let's truly give them something to talk about, ***we are SGVD!***

From the Health & Wellness Team Leader

Tina LaCarra • Whittier WC • lacarrads@aol.com

Hello…Hope this moment is a positive one. October is so close, cool weather is so close. Unfortunately, so is the flu, covid and colds!

If you choose to, many of our pharmacies have vaccines to help protect us. Take a friend and get your sticker! ☺ (My local pharmacy even offers a lollipop!)

October is also Breast Cancer Awareness Month. Did you know that this movement started in 1985? Breast Cancer is the 2nd most common cancer in women after skin cancer. 12.9% of women get this diagnosis every year. Early detection significantly improves treatment outcomes. When caught early through screenings like mammograms, the five-year survival rate can be as high as 99% for cancers still confined to the breast. Early detection also allows for less aggressive treatments. Schedule your mammograms, encourage any woman you love to do the same.♥

Mark your calendar...Starting October and November, bring any dog/cat food donations from your clubs to our SGVD meeting. At our November meeting we will have a speaker from *Save A Bow Wow* to share what they do to help our furry animals. We will pass on your dog/cat food donations. Feel free to donate gift cards also.

Any questions, feel free to ask! (562)400-5711 (text if possible)

I hope you will plan to attend the February 2026 District Meeting. I have arranged for a very dear friend to come & share some of her teaching experiences with us. We are all familiar with the basic "Class Room Experience," but her school environment is very different. She is a Studio Teacher for young professionals involved with television, movies, photoshoots, even the LA Opera. Please mark your calendar. I will have much more information to share nearer to the date.

Remember to support & promote our Los Angeles County Libraries. To help get you interested is exploring what is available, spend 10 minutes perusing the website at https://lacountylibrary.org/ . I look forward to this new adventure to be shared by us all.
