

THE KEY DISTRICT NEWSLETTER

The San Gabriel Valley District Newsletter, *The KEY*, is published monthly except for July and August. It contains reports from District Officers and Chairmen, members, information about District projects and activities. It also contains dates of SGVD, CFWC and GFWC events, meetings and conventions. This is a valuable resource for planning purposes. Also featured are many club announcements including fund raising events and requests to support projects within the San Gabriel Valley District Membership.

The KEY will be posted on the SGVD Website: www.sgvd.org and may be downloaded free of charge. Club Presidents will be emailed a copy free of charge to share with club membership.

Club members wishing to receive *The "KEY"* via U.S. Postal Service may subscribe for a yearly fee of fifteen (\$15) dollars. We have had a print cost and postal mail cost increase. (Motion adopted at June 2023 Meeting Business Board Meeting.) The subscription year is **June through May**. **Subscription names and address must be typed and include the club name on a submitting form with Club Check.** The form is printed below.

If you wish to submit an article, it must be **typed** and mailed by the 20th to the editor or emailed (preferred) by the **25th of the month previous to publication**. Information about club events may be submitted for publication in the *Club Announcements Section* at a cost of \$10 per running month. This should be no more than three lines and contain only the basic information such as **date, time, cost, type of event and contact person**. Club event flyers may also be submitted for publication for \$10 per month (\$100 a year).

Individual personal ads (not club ads) help defray the expense of *The KEY*. The cost of ¼ Page is \$25; ½ Page is \$50; and a Full Page is \$100. This will cover the same ad in every issue for one year (10 issues).
